MPC-G, LLC

Re: Notice of Debarment

Mr. Adkins:

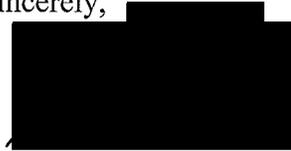

Effective this date, the Air Force has debarred MPC-G, LLC (DUNS No.: 04-974-5321), from Government contracting and from directly or indirectly receiving the benefits of federal assistance programs. This action is initiated pursuant to Federal Acquisition Regulation (FAR) Subpart 9.4, Defense FAR Supplement 209.4 and Appendix H, and 2 C.F.R. Part 1125.

On February 16, 2012, the Air Force proposed MPC-G, LLC for debarment and afforded it the opportunity to submit information and argument in opposition to its proposed debarment. MPC-G, LLC was issued a Notice of Proposed Debarment and a Memorandum in Support of the Proposed Debarment. MPC-G, LLC has not responded.

I have carefully considered all information contained in the Administrative Record and determined that a preponderance of the evidence establishes the existence of a cause for debarment, and MPC-G, LLC has failed to demonstrate its present responsibility. I have, therefore, concluded that debarment is in the public interest and necessary to protect the Government's interests.

The effects of debarment are set forth in the Notice of Proposed Debarment, as well as in FAR Subpart 9.4, Defense FAR Supplement 209.4 and Appendix H, and 2 C.F.R. Part 1125, which are provided on our website at: <http://www.safgc.hq.af.mil/organizations/gcr1/index.asp>. MPC-G, LLC's debarment is effective immediately and will run from the date of its proposed debarment, February 16, 2012. MPC-G, LLC's debarment will terminate on February 15, 2015.

Sincerely,

3. The Company may not conduct business with the Federal Government as an agent or representative of other contractors.

4. No Government contractor may award a subcontract equal to or in excess of \$30,000 to the Company unless there is a compelling reason to do so and the contractor first notifies the contracting officer and further complies with the provisions of FAR 9.405-2(b).

5. No agency in the executive branch shall enter into, renew, or extend primary or lower-tier covered transactions in which the Company is either a participant or principal, unless the head of the agency grants an exception in writing. Re: Notice of Proposed Debarment

Mr. Adkins:

You are hereby notified that the Air Force has proposed that GTG PC Holdings, LLC (DUNS No.: 18-363-5312), (hereinafter Company) be debarred from federal Government contracting and from directly or indirectly receiving the benefits of federal assistance programs. This action is initiated pursuant to the authority and the procedures contained in the Federal Acquisition Regulation (FAR) Subpart 9.4. Copies of FAR 9.4, Defense FAR Supplement 209.4 and Appendix H, and 2 C.F.R. Part 1125 are provided on our website at <http://www.safgc.hq.af.mil/organizations/gcr/index.asp>. 2 C.F.R. Part 1125 is the Defense Department's implementation of the Nonprocurement Common Rule referenced in FAR 9.401. If you do not have access to the Internet and wish to receive a hardcopy of the aforementioned regulations, please submit a written request to my counsel as designated below.

The proposed debarment is based upon the information in the attached Memorandum in Support of the Proposed Debarments (Encl. 1).

The proposed debarment is effective this day and has the following consequences during the period of proposed debarment:

1. The Company name will be published in the Excluded Parties List System, available at <https://www.epls.gov/>, a publication of the General Services Administration that contains the names of contractors debarred, suspended, proposed for debarment, or declared ineligible by any agency of the Federal Government. Proposed debarment is effective throughout the executive branch of the Federal Government and applies to procurement and nonprocurement programs.

2. Offers will not be solicited from, contracts will not be awarded to, existing contracts will not be renewed or otherwise extended for, and subcontracts requiring Government approval will not be approved for the Company by any agency in the executive branch of the Federal Government unless the head of the agency taking the contracting action or a designee states in writing the compelling reason for continued business dealings between the Company and the agency.

3. The Company may not conduct business with the Federal Government as an agent or representative of other contractors.

4. No Government contractor may award a subcontract equal to or in excess of \$30,000 to the Company unless there is a compelling reason to do so and the contractor first notifies the contracting officer and further complies with the provisions of FAR 9.405-2(b).

5. No agency in the executive branch shall enter into, renew, or extend primary or lower-tier covered transactions in which the Company is either a participant or principal, unless the head of the agency grants an exception in writing. (Covered transactions are defined at 2 C.F.R. Section 1125.30).

6. The Company may not act as an agent or representative of other participants in federal assistance programs.

7. The Company's affiliation with or relationship to any organization doing business with the Government will be carefully examined to determine the impact of those ties on the responsibility of that organization to be a Government contractor or to receive federal assistance.

Within 30 calendar days of the date of this notice, the Company may submit, either in person or in writing, or both, information and argument in opposition to the proposed debarment. If the Company provides a written response, an original and one hardcopy must be submitted and an electronic copy is appreciated. The Company is encouraged to Bates number its submission, including attachments thereto.

If the Company designates a representative to respond on its behalf, please notify my counsel in writing of the identity of the representative. The designation should specifically state the names and addresses of all individuals or companies the designee has the authority to represent in this matter.

The Company's submission, if any, should include any specific information that may raise a genuine dispute over material facts. If it is found that the information submitted raises a genuine dispute over material facts, fact-finding may be conducted to determine the disputed facts. Facts proved by conviction or civil judgment, however, are not subject to dispute in this proceeding.

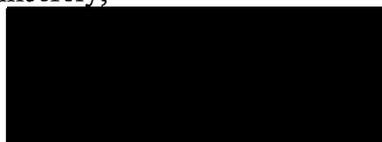

This debarment proceeding has been initiated on the basis of an administrative record. A copy of the administrative will be furnished upon request. Any written information submitted by the Company will be added to the administrative record.

The determination whether or not to debar the Company is discretionary and will be made on the basis of the administrative record, together with any written materials submitted for the record by the Government or the Company during the period of proposed debarment.

If debarment is imposed, the limitations described in Paragraphs 1 through 7 above will continue to apply and the Company's name will continue to be published in the Excluded Parties List System, available at: <https://www.epls.gov/>. The status, however, will be changed to reflect that the Company is debarred.

Any communications regarding this matter should be directed to my counsel: Todd J. Canni, SAF/GCR, 1235 S. Clark Street, Suite 301, Arlington, VA 22202, 703-604-1471, and todd.canni@pentagon.af.mil.
